WEEKEND RESOURCES

Ages 6–11

Children meet all three servants. The one who buried the gift was afraid. Jesus wants us to use what we are given, even in a small way.

Activities

For class or home

Tell the parable and stop before the return. What will each servant do?

Ask why the master did not give everyone the same amount.

The third servant was afraid. What could we say so he would try?

Each child names one gift and one way to use it this week.

Close with Matthew 25:21 and a “well done” for someone at home.
